

ITEA 2009 Conference -- Louisville, Kentucky

Delivering the “T” and “E” in STEM

2008 ITEA Council for Supervisors

Submitted to ITEA – June 5, 2008

Conference Schedule of Events

The following schedule is designed to create minimum time conflicts by aligning with the schedule of other conference events including General Sessions, Committee Meetings and other functions sponsored by various councils. The request for food and refreshments will maximize the attendees experience while keeping within our conference budget. If any additional expenses above the amounts covered by registration fees are incurred, they will be the responsibility of the Council for Supervisors.

Any questions regarding the schedule, food or refreshment requests should be directed only to Council for Supervisors President, Dennis Soboleski (email dsoboleski@hcpss.org 410-313-7174)
