### **Epsilon Pi Tau Board of Directors Meeting**

Presenter: Samuel C. Obi

Chairperson: Jerry C. Olson

**4:00 pm – 4:30 pm**

**How Epsilon Pi Tau serves ITEA constituent organizations, individuals and Trustees.** Topics on supporting and advancing technology education personnel and programs- the Epsilon Pi Tau approach; as well as resources for individual and organizational development in technology education (this interactive session is open to all ITEA conference participants).

Presenter: Jerry C. Olson

**5:00 pm - 6:00 pm**

**ITEA - Epsilon Pi Tau Exemplary Initiation & Reception**

(This function of ITEA's official honor society is open to all conference participants to observe. Come and enjoy and celebrate this special anniversary function. The approximately 40 minute ceremony of initiation will be conducted by a team of ITEA leaders. Witness the traditions of Epsilon Pi Tau, the official honor society for ITEA that has played an historic positive role in the development of your profession. Be refreshed on hearing universally applicable values and precepts related in a delightful, meaningful and inspiring fashion. Congratulate the selected ITEA members, officers and past officers who will be inducted and other long-standing Epsilon Pi Tau members who will receive Epsilon Pi Tau Honor citations.)

Ritual Team: Leaders in ITEA and the technology professions

**Saturday, March 28, 2009**

**7:00 am - 8:45 AM**

**The Epsilon Pi Tau Breakfast** (This function of ITEA's official honor society is open to all conference participants with purchase of admission tickets)
